It is the responsibility of the suite holder to ensure that no minors or intoxicated persons consume alcoholic beverages in their suite. We reserve the right to check for proper identification and refuse service to a person that appears to be intoxicated.

PAR STOCKING SYSTEM

For your convenience, Spectra offers a par stock system in your suite. This system benefits your suite by providing automatic replenishment of the beverages in your suite without the hassle of ordering these items for every event and allows your beverages to be locked and unlocked at your discretion.

The suite administrator establishes a par stock and submits it to Spectra. Spectra then places your par stock in your suite, making it available for every event. If you do not want your PAR stock to be replenished and/or made available for a specific game, please notify Spectra before the corresponding pre order deadline to avoid being charged. The following guidelines will be used when restocking a beverage par:

- Spirits - 1/2 remaining (unless otherwise requested)
- Wine - 1/2 remaining (red) or wine is opened (white)
- Mixers / Juices - 1/2 remaining or expiration date is approaching
- Beer / Soda / Water - stocked back to original number.

All replenished beverages will be charged onto the pre order for the following game. PAR will not be stocked for the last 2 games unless requested.

Any food or beverage product brought into the suites without proper authorization, through the Spectra suite office, will be confiscated and/or charged to the suite holder at a normal retail price for such items.

TAXES/FEES

Prices do not include sales tax. A management fee of 15% of your food and beverage order will be added to your invoice and will be retained by Spectra to help provide more competitive wages. If you feel your suite attendant has provided a service that is of the highest quality, and you would like to reward your server, additional gratuity may be added.
